

Subject: Professional Development Request: Nonprofit Comms Club Membership

Hi [Boss's Name],

I'd like to request support for a professional development membership that would help me think more strategically and lead our communications with greater confidence.

The [**Nonprofit Comms Club**](#) is led by Julie Masson, a former nonprofit Chief Communications Officer with 18 years of nonprofit comms experience. It's designed specifically for in-house nonprofit communicators like me who are working with limited staff and budget but need to think at a strategic level.

The cost is \$75/month (there are also discounts available if we pay quarterly or annually, but I wanted to start with the monthly option).

Here's what I'd get access to year-round:

- Monthly live Q&A calls with Julie where I can bring our actual communications challenges and get expert feedback
- Quarterly trainings from senior communications professionals
- A vetted community of nonprofit communicators facing similar constraints (no consultants trying to sell services)
- Templates and resources I can adapt for our work immediately
- Unlimited access to Julie for help and support

I think this would help me [\[insert specific goal: develop stronger donor messaging / lead our next campaign more strategically / communicate our impact more effectively\]](#), which directly supports [\[insert organizational priority\]](#).

It's much less expensive than bringing in consultants or attending conferences, and I'd have support all year long that I can apply directly to our work.

Happy to discuss if you have questions. Thanks for considering it!
